

A Nák-Sûu Christmas

Nák-Sûu. Warrior.

นักสู้

Meet Flower

Flower defines the fighter in us all.

She was raised by a single mother in a disadvantaged community we work with each week. When her mother became ill she was not eligible to receive healthcare assistance here as she was from a neighboring nation. Having no other choice, Flower's mother left her alone in Thailand, returning to their home country in hopes of life saving medical attention.

Flower was 14 and alone with \$15.

After ARK became aware of the situation, we were able to intervene and make suitable arrangements for her to live with a community worker in her neighborhood... maintaining the stability of the only friends and schoolmates she knew.

Flower's mother died before returning.

ARK is committed to providing for Flower. Not only do we have the privilege of coaching her as a bright, enthusiastic member of our Nák-Sûu Rugby Academy, where she plays as hard as any boy, but we also have taken on the roles of spiritual mentor, counselor, and providing for her financially.

Currently, we are about
\$50/month . \$600/year
short of meeting all of
Flower's needs.

Nák-Sûu Rugby Academy

We are about more than athletics. Our ultimate goal is to have a lasting impact in the lives of young people through rugby training and life skill development – building trust, hope, self-esteem, and courage. It is our hope to provide these children with the opportunity to develop training, skills, and character needed to successfully live a life that will contribute in a society where they will forever fight for hope and dignity.

Christmas for 200 Warriors

The children who attend our weekly Nák-Sûu Rugby Academy typically range from age 7-17. Both boys and girls come by songtaew (a rented truck with benches in the bed) that picks them up in their local communities and brings them to the field. ARK staff cultivate their bodies, minds, and spirits through sports, education, crafts, and prayer.

For most, this is the only Christmas they know.

How Can I Be a Warrior for Christmas?

Pray. Serve. Provide

As with any ministry, we require the support of our friends and partners around the world to maintain our existing programs and to stretch our loving arms around more children each year.

We would be grateful for any eternal as well as tangible ways you can lift up our ministry, especially during this Christmas season.

Volunteers will be needed to help package and wrap Christmas presents, as well. Please contact us if you would like to help assemble.
